Commissioner

DOCKETED BY	
-------------	--

BOB STUMP
Commissioner

IN THE MATTER OF THE APPLICATION
OF GOODMAN WATER COMPANY, AN
ARIZONA CORPORATION, FOR (i) A
DETERMINATION OF THE FAIR VALUE
OF THE UTILITY PLANT AND
PROPERTY AND (ii) AN INCREASE IN
ITS WATER RATES AND CHARGES FOR
UTILITY SERVICE BASED THEREON.

Docket No. W-02500-A-10-0382

**GOODMAN WATER COMPANY'S
MOTION FOR ENTRY OF
PROCEDURAL ORDER NUNC PRO
TUNC CORRECTING DECISION
NO. 72897**

On February 21, 2012, the Commission issued Decision No. 72897 authorizing rates for Goodman Water Company ("Goodman" or "the Company"). The rates that were authorized therein were adopted from the rate schedules attached to the Proposed Settlement Agreement, which was also approved by the Commission.¹ It has come to the attention of Goodman that the Proposed Settlement Agreement and, therefore, Decision No. 72897 did not identify the break-over point for gallons used when calculating the commodity charges for the 8-inch and 12-inch meters. Because the Proposed Settlement

¹ The Proposed Settlement Agreement was attached to Decision No. 72897 as Exhibit A, and incorporated therein.

1 did include commodity charges for the 8-inch and 12-inch meters for each of the 3-year
2 phase-in periods, the omission of the tier break-over point for each was inadvertent.

3 Goodman and the Company have revised the rate design sheets for each of the 3-
4 year phase-in periods to include the break-over points for gallons used for the 8-inch and
5 12-inch meters and has attached those sheets as Exhibit A. The break-over points for the
6 8-inch and 12-inch meter are as follows:

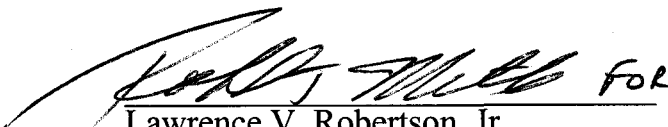

7 **8-inch: first tier- 0 to 270,000 gallons, second tier- over 270,000 gallons.**

8 **12-inch: first tier- 0 to 540,000 gallons, second tier-over 540,000 gallons.**

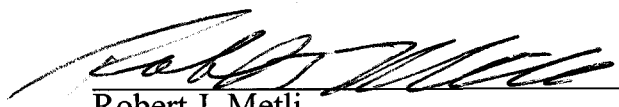

9 Goodman has provided all parties copies of Exhibit A and has not received any
10 objections to its request to modify Decision No. 72897 to allow Goodman to include the
11 above break-over points for the 8-inch and 12-inch meter into its filed tariff.

12 Therefore, Goodman requests a correction of Decision No. 72897 Nunc Pro Tunc
13 pursuant to Rule of Civil Procedure, Rule 58 to authorize Goodman to include the tier
14 break-over point for the 8-inch and 10-inch meters described above for each of the 3 year
15 phase-in periods.

16 RESPECTFULLY SUBMITTED this 7th day of March, 2012.
